

Amendment

EXT Turbomolecular Pump

(Amendment to manuals B722-20-880, B722-40-880, B740-01-880
B753-03-880, B756-00-880 and B756-01-880)

1 Introduction

1.1 Scope of this amendment

This amendment corrects the information given in Section 2.1 of the manuals listed on the front cover.

1.2 Description

Currently the manual states the pollution degree as:

- “CAN/CSA, UL, EN61010 part 1”

and this needs to be changed to read:

- “2”
